Transport Flagship Mission

Your Gateway to the Indian Market

Do you work at a successful automotive, aviation or ITS company in one of the twenty-seven member states of the European Union? Are you interested in conducting business in India, one of the fastest growing economies in the world? Would you like support to access this booming market?

If you answered the preceding questions affirmatively, then you won't want to miss the Transport Flagship Mission to India, one of the EBTC program's main annual events.

EBTC is a programme co-funded by the European Union

and coordinated by

EUROCHAMBRES

The Transport Flagship Mission to India is being coordinated by

with the support of

ADVANCE ANNOUNCEMENT

Date _September 14-17 | 2010

Venue _New Delhi | India

Transport Flagship Mission

Goals

The event promises to deliver real business-to-business opportunities and facilitate access to the Indian market.

Twenty-five EU companies in the
_Clean automotive
_Clean aviation
_Clean intelligent transport systems (ITS)
industries that are interested in conducting business in India shall be enabled to establish contact with potential Indian partners.

The Event

The event will focus on innovative transport solutions.

Day 1 _Plenary opening session with leading keynote speakers from the automotive, aviation and ITS industries and institutional and academic bodies. Company presentations in separate automotive, aviation and ITS sessions.

Day 2 _Matchmaking with pre-identified Indian counterparts.

Day 3 _Individualized offerings including company visits and study tours.

Additional Information

Attendance of the Flagship Mission is free of charge. Selected companies shall be eligible to receive per diems.
